

LIGHTS!!! CAMERAS!!! BRUSHES!!!

The Fine Arts Department is looking for any and all creative students to join us. The Fine Arts staff at Great Mills High School can direct you down many creative avenues.

The Theatre Classes under the direction of Mrs. LeFave will have you working on the stage, behind the stage and in the booth helping with a variety of plays for the school and the community. Learn the ins and outs by taking Theatre 1 through Theatre 4 and Theatre Tech. Over the course of the year there are opportunities for any GMHS students to try out for plays, stop in and check it out!!

If you would prefer to not “break a leg”, are more musically inclined, join Mr. Turpin and Ms. Hampton in the Band Rooms. In the maze of practice and performance rooms learn how to play the piano, about different music styles in Music Trends, play in Jazz Band, Band 1 and 2, Orchestra. For any student that is looking for exercise and playing an instrument try out for the Marching Band. They not only play during half time at football games, they also travel to different competitions and parades. Disney World has also been a destination.

Headed for “American Idol”? Let Ms. Wallace tune you up in the Chorus Room. Starting with Chorus 1, then moving to Chorus 2, Chamber singers and for the ladies, Women’s Chorus, you will be ready to take the stage. There are many venues in which you will be performing in school and around the county.

If you can’t act, sing or play an instrument, don’t fret. Express yourself in one of the Visual Arts Classes. Drawers and painters can begin in Art 1 and work up to Advanced Placement Studio, crafters can take Crafts 1 and 2. After the basic level is completed interested students can take Photography, Commercial Art/Graphic Design and Sculpture. Ms. Lewis, Ms. Liddick, Mrs. Sides and MRs. Hancock are there to guide you at all levels and areas.

The Fine Arts Department also has extra circular activities you can be part of.

Ms. LeFave sponsors the Theatre Club which meets once a month and this year will be performing a winter play. She also hosts a troop of the International Thespians Society. In January she is planning a GM Idol competition. Come out and show us what you can do!

Ms. Lewis began a chapter of the National Art Honor Society as well as An Animé Club. Both groups meet different days once a month.
