

Leonardtown High School

23995 Point Lookout Road, Leonardtown, Maryland 20650

On The Web <http://schools.smcps.org/lhs/>

Leonardtown High School is a comprehensive public high school of 1,950 students in grades 9-12. It offers college preparatory programs and programs that prepare students for business and technical occupations.

ACCREDITATION:
Middle States Association of Colleges and Secondary Schools and the Maryland State Department of Education.

CURRICULUM:
Students select a program from one of five career clusters that provides a focus and structure designed to prepare students for post-secondary work and study. Specific college preparatory programs may include CM level, Honors level, and Advanced Placement level classes. Standard level classes are designed for students preparing to work, or to attend a trade school or community college.
