Oakville Elementary Parent Bulletin

December 2016

## *Principal's Message*

As the holiday season approaches and the year draws to a close, our thoughts naturally turn to our friends and family. It is also a season of thanksgiving... one in which we take time to reflect on the thoughtfulness and generosity of our neighbors, colleagues, coworkers, and associates.

The Oakville Elementary School community has seen firsthand the thoughtfulness and generosity that comes with friendship and partnership. As a school, we recognize that our successes represent a labor of love and commitment of our entire community. Our partners for success include all our staff members, parents and our local school community.

I would like to take this time to thank all of those that have committed themselves to the success of our students here at Oakville Elementary. "Together We Can Do So Much"! I wish you all a very happy and healthy holiday season!
