August 2015

Dear CPCS Families -

CPCS wants to ensure that you receive whole school communications from our office directly via email and through our School Messenger call out system. In the space provided below please print legibly, the phone number and email at which you would like to be contacted. These communications will include CPCS events, inclement weather information, school closings, field trip updates if needed and any other pertinent information. If, you have more than 1 child, we can enter a different phone number and email for other siblings, so that both parents and guardians receive communications. Teachers will also be creating email loops for their individual class rooms to keep you updated on class activities and events. Please check the website regularly for any up to date information at smcps.org, press the tab for our schools /elementary or middle schools / Chesapeake Public Charter School.

Parent/Guardian
