**Director’s Report (Educational Outbrief)**

• Tracking Students against a standard

• There are 2 team leads assigned for each group (K-2, 3-5, Middle School)

**Motion:**
Approved the amendment to the charter as included in Enclosure 1

**VOTE:**
Approved 9-0

**Committee Reports**

• **Treasurer: (Anne Marie Dailey/ Jen Campbell) –**
Met last week and filed all of the taxes.

Tax planning opportunity. If 85% of the building is tied to the school mission, we can be tax free.

We are currently at that level, but if we expand tenants then we might not get the tax free this year.

Calculation has 2 methods to prove the 85%.

We overpaid taxes, so as of now, we have no requirement to pay.

ST. MARY’S COUNTY AND CHESAPEAKE CHARTER SCHOOL ALLIANCE, LTD.

This First Amendment (“Amendment”) to the “Charter Agreement Between the Board of Education of St. Mary’s County and Chesapeake Charter School Alliance, Ltd.” (the “Charter Agreement”) is entered into by the Board of Education of St. Mary’s County (“Board”) and the Chesapeake Charter School Alliance, Ltd. (the “Alliance”) (together, the “Parties”) this __ day of November, 2016. The Parties recite as follows:

WHEREAS, on March 6, 2006, the Board granted a Charter to the Alliance to operate the Chesapeake Public Charter School (the “Charter School”);

WHEREAS, on May 25, 2010, and again on September 10, 2014, the Board renewed the Alliance’s Charter to operate the Charter School, the current term of which runs through June 30, 2019; and

WHEREAS, the Parties wish to modify or amend certain terms of the Charter Agreement; and

WHEREAS, those modifications or amendments are deemed to be “Material Amendments” controlled by Paragraph 54.0 of the Charter Agreement, meaning that they “will be effective only with the written approval of both the Board and the Alliance;

NOW, THEREFORE, the Parties, intending to be bound by the terms and conditions of the Charter Agreement as modified or amended by the terms and conditions set forth herein, enter into the following Amendment in accordance with the following terms and conditions:

A.1.0 Definitions. Terms used in this Amendment shall have the meanings provided for in the Charter Amendment, unless otherwise defined herein.

A.2.0 Additions and Deletions. Where the text of a paragraph of the Charter Agreement is modified by this Amendment, additions are indicated in this Amendment by underlining and deletions are indicated by strikethrough. The underlining and strikethrough are, however, solely for the convenience of the Parties, and the text of the paragraph set forth in this Amendment (less any stricken text) is controlling notwithstanding any inconsistency between the Amendment and the Charter Agreement.

A.3.0 Weighted Lottery. Paragraph 7.2 of the Charter Agreement is amended as follows:

Student recruitment and enrollment decisions shall be made in a nondiscriminatory manner and without regard to race, color, religious affiliation, national origin, sex, sexual orientation, marital status, religion, ancestry, limited English language proficiency, socioeconomic status, cognitive ability, disability or need for special education services, except if more students apply for any grade level than can be admitted, admissions priorities will be provided as follows: (1) children of founders; (2) children of staff; (3) siblings of already-enrolled students; (4) Economically Disadvantaged students (up to the lesser of the percentage of St.
Mary’s County Public School students eligible for free and reduced price meals, or 35% of eligible spaces); and (5) all other applicants. “Economically Disadvantaged students” are those students who are eligible for Free and Reduced Meal Status coordinated through St. Mary’s County Public Schools’s Food Service office. If more Economically Disadvantaged students seek enrollment than there are eligible spaces available under the permissible percentage, then there shall be a lottery among the Economically Disadvantaged students for those eligible spaces, and any Economically Disadvantaged students not selected through that lottery shall proceed to any lottery step conducted for “all other applicants.” The Alliance shall actively recruit and encourage student applicants from a wide cross-section of St. Mary’s County with the aim of including, to the extent possible, a level of diversity that closely approximates that of the St. Mary’s County Public School System as a whole. If more students apply for any grade level than can be admitted, admissions decisions will be made by a lottery process conducted in accordance with this Paragraph. Spaces filled by children of Alliance Founders as of November of 2004, children of Board and Alliance employees assigned to the Charter School and children who attended the Charter School in the immediately prior year or their siblings shall be exempt from the lottery. The lottery process shall be a random selection process administered by the Alliance. Non-resident applicants may not participate in the lottery. If a vacant seat occurs within the school year, the seat should be filled immediately from a numerically ordered waiting list that resulted from students not selected during the lottery process.

A.4.0 Increased Projected Enrollment. Pursuant to Paragraph 6.3 of the Charter Agreement, and notwithstanding any provision of any prior agreement or application, the projected enrollment for the Charter School is 420 students, beginning with the 2017-18 school year.
