Dear Parent(s)/Guardian(s),

SMCPS is now working in a Google Apps for Education environment that allows students to utilize Google Sites, Google Drive, Google Maps, and Google Calendar for instructional and collaborative activities.

Students under the age of 13 must have parent permission to access this account in the Google environment. In order to utilize these applications, every student will be provided a Gmail account for instructional purposes. The login will be the student's network log-in @instruction.smcps.org and the same network password. Students can only send email to and receive email from staff (staff@smcps.org). Google applications would be accessible anywhere Internet is available.

As with anything else, this access is governed by the SMCPS Network Usage Standards found on our SMCPS website and in the SMCPS Student Handbook and misuse is subject to disciplinary action.

Please complete the form below and return to your student's teacher.

Respectfully,

Linda DiCola
Library Media Specialist
ljdicola@smcps.org

I give my permission for _____ to use the SMCPS Gmail account for instructional purposes.

I do not give my permission for _____ to use the SMCPS Gmail account for instructional purposes.

Parent /Guardian Signature

I understand I am governed by the SMCPS Network Usage Standards found on our SMCPS website and in the SMCPS Student Handbook.

Student's name _____ Student's Signature _____
