  - All proceeds for the FUN RUN will go towards purchase for technology for student use! Our success of the school fundraiser will depend on pledges students receive. This will mean reaching out to family, friends, neighbors, co-workers all over the U.S. and in some cases, Internationally to help us reach our goal. For example, if each student were to receive \$100 in pledges, we will be well on our way to meeting our goal (more information to follow as to how students can receive pledges). Please remember that all students will participate NO matter their financial pledges received. There will be a schoolwide incentive which includes Dr. Quick-McQueen being slimed if we can receive pledges from all 50 states. There will be class competitions as well as individual prizes based on pledges received. We want this to be a fun event where students commit not only to raising money for their school community, but also commit to being healthy through participating in the Fun Run. With your help, this will be an exciting, yet successful event for our school!
