Class of 2020.

We have a very important update regarding the distribution of caps and gowns scheduled for May 6th & 7th. We regret to inform you that the distribution of caps and gowns at all three SMCPS high schools will be postponed until a later date, which has yet to be determined. While the plan involved a well-coordinated drive through system, it still failed to adhere to the social distancing mandates that are currently in place due to the Covid-19 Pandemic. As you are aware, Governor Hogan has put into place both a Stay-At-Home order and a travel restriction. Superintendent Dr. James Scott Smith will be meeting with the SMCPS Board of Education on Wednesday, May 6th to discuss the situation and determine next steps. Dr. Smith hopes to receive further guidance from the Governor's office, as well as the State Superintendent of Schools regarding the distribution of such items.

We will keep you informed with the most up-to-date information as it is received. We apologize for any inconvenience or frustration this may cause. We can assure you that we are as disappointed as you. However, the ultimate goal is to handle these situations in the safest manner possible for everyone involved.

Stay positive and Raider Strong!

Respectfully,

LHS Administration
