Mr. Randy L. Tira, Activities Coordinator

Quarter Recovery Marking Period 1 2018-2019

Purpose

LHS Quarter Recovery provides the opportunity for students to recover marking period grades through a blended learning format. Students may take up to two courses. Upon successful completion of the units designated for marking period recovery, a grade of **59.5%** will replace the original marking period 1 grade. To be eligible for quarter recovery, students must have earned a failing grade (**45 – 59%**) for the marking period.

Implementation

APEX Quarter Recovery will start **Monday, November 26th – Friday, December 21st**. Students will participate in APEX Quarter Recovery during their lunch period. Participation during the school day is mandatory, and if a student misses two sessions, the student may be removed from the program. Students who receive 3 tardies will meet with their grade level Administrator and have the potential to be removed from the program as well. Students **MUST** return this completed registration to Mrs. Abell in Guidance no later than **Tuesday, November 20th**.

Classes begin on Monday, November 26th. If you have any questions or concerns, please contact Mrs. Marino at cmmarino@smcps.org, Mr. Readyhough at ecreadyhough@smcps.org, or Mrs. Schrader at gmschrader@smcps.org.

By signing this form, you and your student agree to the terms of the program and agree for your student to attend APEX QR during A or B One Lunch from Monday, November 26th until Friday, December 21st, 2018.

- ✓ Quarter Recovery (QR) courses will replace either A or B lunch from Monday, November 26th until Friday, December 21st
- ✓ Attendance is mandatory, and if a student misses two days or has 3 or more tardies he/she may be withdrawn
- ✓ Students will also work outside of school on their own time to continue progress towards their QR
- ✓ Students can only recover 2 classes during Marking Period Quarter Recovery
- ✓ Upon successful completion of the units designated for Marking Period Recovery the maximum grade earned for the marking period will be a **59.5%**
- ✓ If you are assigned mandatory tutoring with another teacher, please let us know a day prior to arrange a switch in lunch schedule. Administration and your tutoring teacher will also be notified of any changes.
- ✓ Attendance is mandatory during lunch. Students are also encouraged to work daily outside of school until they are done.

Please be reminded: If you do not take this opportunity to complete quarter recovery during your One Lunch schedule, you have two options: (1) complete quarter recovery in summer school, or (2) retake your entire course in a traditional classroom next year.

Student name _____ Student ID#: _____ Lunch A (PM TC/9th/12th) or Lunch B (MidDay TC/10th/11th)
