Dear Parents,

Welcome to the 2018-2019 school year! I am writing to introduce you to Ms. Tyiss Rothwell, who will serve as a long-term substitute in your child's class. Ms Rothwell attended Lexington Park Elementary when she was a child, so returning here to teach is delightful for her and us.

Ms. Rothwell graduated in June 2018 from Notre Dame of Maryland University with a degree in Elementary Education, and comes to us highly recommended. She has one last step to take to become a certified, highly qualified teacher, and that is to take and successfully pass the PRAXIS exam, which she will do in November.

As always, if you have any questions or concerns feel free to contact me at school 301-863-4085

Thank you for sending us your PAWSitively amazing children each day!

Sincerely,

Rebecca A. Schou
