

THE OTTER NEWS

Oakville Elementary Parent Bulletin

November 2018

Principal's Message

The school year seems to be flying by! Students and staff have settled into routines and we have just finished our first quarter. We hope you have been able to participate in some of the school events. The partnership between home and school is so important in providing consistent expectations for our students. I encourage you to stay in close touch with your child's teacher and take an active role in his/her learning. We also hope to see you at upcoming events!

I'd like to congratulate Mrs. Curtis, our counselor, and the Oakville students and staff for being named a Character Education School of the Year for 2017-2018. Oakville was recognized for meeting high standards of positive behavior, our new MTSS program, and community support. It is so nice to see these behaviors in your children every day. This is the third consecutive year Oakville has been recognized!

Please take some time this Thanksgiving holiday to share a few special moments with family and friends and reflect on all the things we are thankful for in our lives. We will see the students back on November 26th.

Have a wonderful Thanksgiving Break,
