Principal’s Message

It’s hard to believe that it is already March and spring is right around the corner. This school year seems to be flying by! Let me first start by saying thank you for your help with our Claire’s school fundraiser. Your support is greatly appreciated!

Oakville will be busy this month! We are starting March with Read Across America Week and a Family Movie Night showing of, The Secret Life of Pets 2. Our state assessments will begin with Fifth Grade taking The Maryland Integrated Science Assessment (MISA) beginning the week of March 23rd. Third and Fourth Grades will have Field Trips this month and Third Grade will have their Recorder Concert.

We will also have spring picture day on March 19th. Classroom Penny wars will also begin March 23rd.

There is a lot of instruction that needs to take place before Spring Break in April. With all the illnesses, we have some catching up to do! Please remember the importance of your child being in school in order to receive the direct instruction that takes place in the classroom. Late arrivals and early pickups also cause significant missed instruction. For example, a student who gets picked up at 3:10pm misses a half hour of the subject they have at the end of the day, which is usually Math instruction. We know illness has been everywhere this winter so let’s hope for a healthy Spring and great attendance! Thank you for your support!

Sincerely,

Kathy Webster

A’ Week Schedule
- 3/02-3/06
- 3/16-3/20
- 3/30-4/03

B’ Week Schedule
- 3/09-3/13
- 3/23-3/27
