Oakville Elementary Parent Bulletin

February 2019

Principal's Message

It is hard to believe that we are half way through our 2018-2019 school year! What a year it has been so far! Everyone is working hard to help our students become the best learners and citizens they can be. Between our very dedicated and talented staff, our incredibly caring and giving families, and the hard work and pride of our students, Oakville is well on its way to achieving the goals established at the beginning of the year.

During the next few months, we will be preparing our students in Grades 3-5 for their PARCC assessments. We will continue to implement the curriculum and focus on students continued learning. We will also be revisiting skill areas that may be in need of re-teaching. More information will be coming home when testing time is closer.

Towards the end of February, we will be holding a school fundraiser with Claire's Gourmet products. The money earned will be targeted to continue to build our technology and purchase site licenses for online instructional programs. Brochures will be coming home. We hope you will help us with this initiative.

As we celebrate African American History Month in February, students will research and share in the great work and contributions of past and present Black Americans.

I want to wish all of you a splendid Valentine's Day filled with lots of love and chocolate!

Sincerely,

Kathy Meluski ☺
