Family Life and Human Development

Dear Parents and Guardians:

Your 6th grade son/daughter will be participating in a unit of study entitled *Family Life and Human Development*, which will be taught by their PE/Health teacher. This unit will include the following topics:

- Abstinence Education (emphasized throughout the entire unit)
- Social and Emotional Growth and Development
- Puberty and Adolescence
- Male Anatomy and Physiology
- Female Anatomy and Physiology

This unit, and the corresponding materials of instruction have been approved by the St. Mary’s County Board of Education on the recommendation of the Family Life and Human Development Advisory Committee.

Please sign and return the form below, so that we know you have been advised of the unit’s contents and have had the opportunity to review the instructional materials.

If the form is not returned, your child will not be able to participate in this unit. Students not participating will conduct independent research on health topics approved by their teacher.

Sincerely,

HEALTH/PHYSICAL EDUCATION TEACHERS
